**JUST BRING A FRIEND AND SHOW UP!**

Last May, I attended the National Day of Prayer outside US Bank Stadium. There were a few thousand people, all praying for unity in the body of Christ. We have an opportunity to display that unity on **May 18** as our State comes together for the single largest outreach since the Billy Graham Crusade in 1996! Pulse Twin Cities wants to fill all 66,200 seats in US Bank Stadium with people who need to hear the message "*Jesus changes everything*." Musical artists Lecrae, and Hillsong Young & Free will headline, followed by an evangelistic message from Nick Hall.

Your role is to invite a friend (or five) to come with you to the event. The reason I say five, is that Pulse is actually asking that we write down the names of five people who need Jesus. We then take that list and pray for them every day, looking for opportunities to share Jesus with them and to invite them to the event. When we pray, God moves! So will you join me in this? Close your eyes, and ask God to show you five people that need Him. I am so excited to see souls saved through the blood of Jesus.

By His Wounds,

Pastor Russell
